PORTFOLIO

About me

I am an aspiring fashion designer driven by creativity, resilience, and passion for design. My fashion journey has shaped my ability to transform ideas into structured, wearable garments. I am particularly inspired by elegant, modest, and culturally rooted designs. Through continuous learning and hands-on practice, I aim to build a career that reflects authenticity, strength, and timeless style.

Resilient Elegance

Inspired by my personal journey of strength and growth, this collection reflects resilience expressed through elegance. Each design represents courage, transformation, and the beauty of rising stronger.
